Junior Winter Camp for kids with disability 4-6 July 2014

The 2014 Disability Sport & Recreation Junior Winter Camp for kids with disability gives children the opportunity to be physically active in a fun and supportive environment.

Held at Falls Creek, the camp provides opportunities each year for children with physical disability to enjoy an alpine adventure with young and enthusiastic role models.

Guided by qualified ski leaders, campers are provided with lessons and assistance with ski lifts and accessible equipment.

Whilst the camp aims to deliver on fun, we are also aiming to:

- Increase participation of children with disability in sport and recreation;
- Educate and promote the benefits of living a healthy and active lifestyle;
- Build self confidence, self esteem and independence.

The cost is \$350 per child, which includes:

- All activities;
- Access to adaptive ski equipment, sit skis, snowboards;
- Lift passes;
- Ski lessons;
- Accommodation;
- Transport;
- All food & beverages;
- Facility hire;
- Medical & personal care.

"I like going fast on the slopes. Maybe one day I can ski for Australia in the Winter Paralympic Games" – Harvey, aged 11

As there is only very limited government funding available, donations are the lifeblood of our organisation. Donations are tax deductible and your consideration and thoughtful assistance would be gratefully appreciated. Your support will enable Disability Sport & Recreation to continue to provide sport and recreational activities to Victorians with disability.
