Dear Simon,

Reach Beyond Golf Day

On behalf of Reach Beyond, I would like to extend our thanks to you and Exopest Pty Ltd for your generous support of our inaugural golf day on 11 November 2016.

Without your sponsorship support and contribution for the event, it would not have been the huge success that it was.

Over 713 million people in India do not have reliable electricity and they are forced to live in darkness? With the money raised from the event, we will be able to have an impact on many lives throughout India with solar panels, LED lights and radios. For us, these are basic items but not so for many people where this will make a huge difference.

Thank you again for your kind and generous support and we hope to see you involved again next year!

Yours sincerely

Adrian Olney
